

Titan Fittings is now certified by Platinum Registration to be ISO 9001:2015 compliant. What does this mean? Titan Fittings is a company that has developed, implemented and maintains a quality management system that conforms to the requirements of International Standards ISO 9001:2015. Those requirements are as follows:

- Titan Fittings demonstrates our ability to consistently provide products and services that meet customer and applicable statutory and regulatory requirements
- Titan Fittings aims to enhance customer satisfaction through the effective application of the system, including processes for improvement of the system and the assurance of the conformity to customer and applicable statutory and regulatory requirements.

Titan Fittings strives every day to make quality parts that you can rely on - and now we're ISO 9001:2015 certified!
